for Approval of Revisions to	) REVISED TARIFF
its SCPSC Tariff No. 1 (REF:	) AND CLOSING
TN 94-158).	) DOCKET

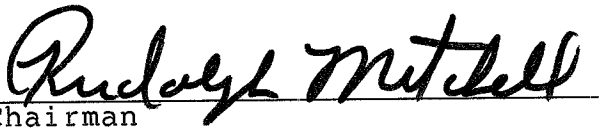

On June 16, 1994, Phoenix Network, Inc. (Phoenix) filed with the Public Service Commission of South Carolina (the Commission) a request for approval of revisions to its SCPSC Tariff No. 1. This tariff filing was assigned Tariff No. 94-158. The purpose of the filing, according to Phoenix, was to change the rates for various rate codes and travel card service, revise the volume discounts for various rate codes, reduce the rates for other rate codes, to eliminate one rate code, and to introduce various new services. The Commission Staff examined these matters and certain tariff filings were shown to result in rate increases. The Commission then voted to set the matter for hearing. Subsequent to that time, on August 22, 1994, Phoenix filed revised Tariffs which would eliminate the request for rate increases formerly filed. The Company now requests that the Commission issue its Order approving the revised tariffs and closing the Docket. The Commission would note that the proper publication of the tariff changes has occurred.

The Commission has examined this matter and believes that the services presented by the revised tariffs are in the public interest and should be approved and that this docket should be closed.

IT IS THEREFORE ORDERED THAT:

1. The revised tariffs filed August 22, 1994, with this Commission are approved.
2. This docket shall be closed.
3. This Order shall remain in full force and effect until further Order of the Commission.
